Anything else we should know or you would like us to know about your child? _____

What should I know before Camp?

Each day there is something new and exciting to choose from. We are a kid choice supported camp where each morning they will get a list of different learning experiences to choose from and then each afternoon will be filled with fun outdoor games like kickball, frisbee, scavenger hunts, capture the flag, wacky science experiments, water games and more!

Drop off and Pick up will be at the tent by the Fun Centre.

Drop off: 8-8:30am

Pick up: 4-4:30pm

What should I bring each day?

Packed Lunch

Bug Spray

Snacks

Towel

Water Bottle

Tennis Shoes

Sunscreen

Water Shoes

Each Morning Theme*

Monday: Nature Day

This morning will consist of everything nature. This includes bird watching, plant identification, wildflower walks, and hiking. It will give the kids the opportunity to explore and be curious about the ecosystems and wildlife we have here at Tussey Mountain.

Tuesday: Golf Day

The kids will be able to work on their golfing skills. It is a sport that can be continued throughout their lifetime. It is good exercise and there is always room for improvement. Tussey Mountain has a mini golf course, driving range, and 3-par golf course for the kids to enjoy.

Wednesday: Wacky Science Day

This is about all things Science! There will be different experiments the kids can try. These include things like elephant's toothpaste, popsicle bridge challenge, fire snake combustion demonstration, slime, egg drop, coke and and mentos, volcano eruption, viscosity demonstration and more!

Thursday: Arts & Crafts Day

There will be many activites the kids can engage in. This includes, painting, drawing, pottery, tie-dye, friendship bracelets, knitting, crocheting, and more! This morning consists of endless opportunities for creativity. There is nothing they can't create.

Friday: Pond Day

This morning we will be hanging out by the pond and seeing what critters we can find. We will also learn about the pond, what kind of animals it attracts, and how it effects the ecosystem we have at Tussey Mountain.

These days are subjected to change due to weather
